ADOPTION APPLICATION

A successful adoption depends on both the selection of the right corgi for your household, and the understanding of the care and training needs of the pet. We do not discriminate against renters or apartment dwellers. However, you must obtain permission by your landlord before you adopt. Adopted corgis will be indoor pets only. Families with young children will be considered on a case by case basis, since corgis are a herding breed. A member of NTxCC may conduct a home visit prior to your adoption.
